everywhere in many, many places. The vast majority of Jews and Christians are not aware of this. Time could be infinite like a number line;if the universe was created a finite time ago,what was the creator doing during that infinite duration of time before the creation? Why cause the universe to begin at some arbitrary time point during that infinite duration.

Thank you, Rabbi Avraham. I enjoy your humor....That message was very encouraging and heartwarming. What an amazing thought that the Redemption is imminent. The prophets indicate that God Himself will gather us. So that means that Judah will soon be open to our coming to join them. By the way which book of Yair's were you referring to?

wow, i didnt know that the ingathering of the exiles is in the constitution same as ben gurion said to name the "jewish state" Israel because of dont giving up the Idea of the return of the 10 Tribes. So that means that your "jewish state" and his people should be very open for a new deal with the exiles, for example ourself from the nation of ephraim. Great News and good Info! Thank you and Shalom.

5. Are Gog and Magog on the Way?

The Wars of Gog and Magog are prophesied for the End Times (Ezekiel chs. 38, 39). These are forces that will try to conquer Israel after they have been ingathered to the Land of Israel. It appears that most nations of Africa, Asia, and eastern Europe will be agaisnt the Israelites. Russia is clearly destined to be one of the adversaries. Their own traditions identified them with Gog and Magog.

The recent fracas over Russia and the Ukraine has aroused expectations.  
The following sources (or versions of it) is being quoted around the Internet.

The VILNA GAON (Rabbi Elyahu Kramer of Vilna) is considered by many to have been the greatest Rabbi of his time. he is quoted as saying:

"If the War Ships of Russia pass through the Bosphorus put on your Shabat Dress,  
When you hear that the Russians have conquered the city [?] of Crimea [Sevastopol?] know that the Footsteps of Redemption are at hand. When you hear that the Russians have reached Constantinople [Istanbul] [know] that the Messiah will appear at any minute.

We do know whether or not he really said that. Things are sometimes quoted in his name that actually emanated from one or other of his followers.

At all events the matter is of interest and an article is being prepared

Jacob (aka Israel) Kept the Law of Tithing: Jacob linked his tithing to a Return to the House of his Father. We can do the same.

Genesis (NIV) 28:

18 Early the next morning Jacob took the stone he had placed under his head and set it up as a pillar and poured oil on top of it.

19 He called that place Bethel, though the city used to be called Luz.

20 Then Jacob made a vow, saying, If God will be with me and will watch over me on this journey I am taking and will give me food to eat and clothes to wear

21 so that I return safely to my fathers household, then the LORD will be my God

22 and this stone that I have set up as a pillar will be Gods House, and of all that you give me I will give you a tenth.

Malachi 3:

10 Bring all the tithes into the storehouse,

That there may be food in My house,

And try Me now in this,

Says the LORD of hosts,

'If I will not open for you the windows of heaven

And pour out for you such blessing

That there will not be room enough to receive it.

Proverbs 3:
