I want to buy that book. I need my people. I need that community.

There is only going to be a remnant. Only some will stop sinning and do what they are supposed to. I have no passover preparation. We don't know what to do over here, for the most part.

4. Message from Steven Collins

Shalom Yair,

I was delighted to see that you used my article on the Khazars in your current issue [i.e. Tribesman no. 10 .pdf]. It truly amazes me how many Christians I encounter think that modern Jews are Gentile Khazars and not really the Israelite tribe of Judah. I originally wrote that article you cited to combat that view. As you know I continue to be an ally of you, Rabbi Feld and the modern House of Judah. I relentlessly oppose all Khazar-based arguments against the Jews whenever I encounter them.

As you no doubt realize, those who try to deny that modern Jews/Israelis are the tribe of Judah often base that heretical belief on the book, The 13th Tribe, by Arthur Koestler. Koestler was a fiction writer, not a serious historian. He was a member of the Communist Party in the 1930s before he moved to England and wrote literary works in English. Some of his other works are entitled: The Yogi and the Commissar, The Lotus and the Robot, The Call-Girls, and the Trail of the Dinosaur. These are hardly the stuff of serious historical research. Also, Zephaniah 2 and Zechariah 12 and 14 clearly show that God used both the modern Ashkenazi and Sephardi Jews to fulfill prophecies about "Judah" having a homeland in the old Promised Land in the latter days of our age. Zephaniah 2 was fulfilled in 1948 with the founding of the modern Israeli nation. In using modern Jews to fulfill the prophecy, God has unmistakably shown that modern Jews are the tribe of Judah.

I wish you well, and you may cite any of my works in any of your publications wherever you wish to do so.

May you and all those close to you have a meaningful Passover season!

Your friend and ally,

Steve Collins

5. Mark McGee: Hebraic Arousal in Southern USA

Dear Yair, An update from The Deep South USA. I've been made aware of 4 Passover Seder gatherings in just the past 12 hours. I was recently invited to a Hebrew oriented Bible study. I'm sensing a general attitude of eagerness and acceptance of Torah here. I wonder if you have similar feedback from other areas? Thank you again for the efforts of Brit-am and especially for the recent outburst of reading material.

"The Swedish Baal Zephon" subtitled "The Case for the Ark of the Covenant Residing in Sweden or Unlocking the Code of the Ark",

by Orjan Svensson

The book "The Swedish Baal Zephon" subtitled "The Case for the Ark of the Covenant Residing in Sweden or Unlocking the Code of the Ark", recapitulates important parts of the history of the Ark of the Covenant from the time of its construction at the foot of Mount Sinai. Before that time the children of Israel had crossed the Red Sea when they escaped the Egyptians. Just prior to the Red Sea miracle, the Israelites had camped in Pi Hahiroth on the western shores of the Red Sea, opposite to Baal Zephon. From there the course is 50 degrees toward Jerusalem. The same course we find from Qumran toward HaShittim - at the northern end of the plains of Moab, which was the last station of the 40 year long exodus just before the crossing of the Jordan. Actually we find a whole geometry, where one line - perpendicular to the north-south line from Jericho to Qumran - points directly to Jerusalem. If we now rotate this geometry around Jericho and scale it until the perpendicular crossing of the geometry moves to Jerusalem's Temple Mount, then the line which beforehand pointed toward Jerusalem turns toward a north-north-west direction instead. If we follow this direction we come to (or pass through) Sweden. Furthermore, where this line crosses the Baltic sea from the Polish side, we can again observe the course of 50 degrees provided that we turn the coordinate system 90 degrees.

As shown in Scandinavian Secrets the runic inscription of the Björntorp monument and the geometry of the monument indicate that the Ark of the Covenant is located near Mount Nebo toward Aroer. However, now it turns out that Aroer as well as for example Hebron and Jerusalem have correspondances in the Swedish geography, and that the Björntorp monument actually is pointing toward a place in Sweden. Stunningly you then find yourself arriving at the very same place in Sweden when you follow the line which pointed from Jerusalem, after you around Jericho had rotated the geometry as described above. Torah codes then are found to confirm that the Ark of the Covenant with very high probability resides in Sweden. This work contains exclusive information never published before!

"The Swedish Baal Zephon" by Orjan Svensson has 110 pages and contains 37 color illustrations. The content is extremely important and most of the information is not available elsewhere.

The book is available via Amazon and lulu.com.

Genesis (NKJV) 9:

6 Whoever sheds mans blood,
By man his blood shall be shed;
For in the image of God
He made man.
7 And as for you, be fruitful and multiply;
Bring forth abundantly in the earth
And multiply in it.

Note verse 9:6 above,
6 Whoever sheds mans blood,
By man his blood shall be shed.

In Hebrew the expression translated as "by" may also be understood to mean "in," i.e. the verse is saying "Whoever sheds the blood of a man inside a man..."
"Which man (human) is inside another human? This is a foetus inside its mother" (Talmud Sanhedrin 57;b).
The Bible is against abortion.

Jacob (aka Israel) Kept the Law of Tithing: Jacob linked his tithing to a Return to the House of his Father.
We can do the same.

Genesis (NIV) 28:

18 Early the next morning Jacob took the stone he had placed under his head and set it up as a pillar and poured oil on top of it.
19 He called that place Bethel, though the city used to be called Luz.
20 Then Jacob made a vow, saying, If God will be with me and will watch over me on this journey I am taking and will give me food to eat and clothes to wear
21 so that I return safely to my fathers household, then the LORD will be my God
22 and this stone that I have set up as a pillar will be Gods House, and of all that you give me I will give you a tenth.

Malachi 3:

10 Bring all the tithes into the storehouse,
That there may be food in My house,
And try Me now in this,
