Extract.

I am grateful that Davidiy clarifies which Gentile groups may have which talents in assisting us in the struggles of Galut

[Exile], and, that he will help those for whom the Jewish [Israelite] spark is more important than the Gentile aspect of their ancestry, to find their way to a Jewish [Israelite] future, if indeed this is the choice of some of them, or at least to help them find the worth of respecting and living according to the Sheva Mitzvos [Seven Noachide Commandments], as they will know that some of their ancestors, at least, were present at Har Sinai [Mount Sinai where the Torah was given] when those Laws were made enforceable.

CUI BONO?

DNA tests are basically worthless. One cannot prove ancestry associated with the lost tribes of Israel through them especially from a matriarchal lineage. Historically,, it's hit and miss. I am Welsh on my mother's side with written family trees back to Sir David Mathew, a Welsh Knight. Again, all of this is irrelevant to prove anything historically. It won't buy you a cold bottle of water in a dry desert. Maybe one day, true history will be revealed when the Messiah returns to initiate His earthly Kingdom. Regardless, only the pure in heart will inherit the earth regardless of ancestry. Time to work on that as the Day approaches.

Its also interesting that its the Tribe of Dan that will unite the tribes

The Pictish tribe "Creones" have a name similar to Creon of Thebes. Thebes is similar to Thebez, a city of Manasseh. The Pictish tribe "Caledones" have a name similar to Caledon of ancient bronze age Greece. Maybe Galaad? Caledonia was old name for Scotland.

Brit-Am Reply:

North Wales in late Roman Times was known as Venedotia. The term Venedotia is believed to be cognate with the Irish Fenni. A related group, the Votadini had neighbored the Venicones in Scotland. They too were resettled in Gwynedd in North Wales. They are referred to in Wales as Gododdin and in one version as Golodin.

Previously they had been associated with the Picts a major section of which were the Caledoni. The names Galedon and Caledoni both related to Gilead of Manasseh.

CUI BONO?

Interestingly, there is evidence the Welsh have been in the British Isles for over 2,000 years. Samaria fell over 2700 years ago. I don't believe it is a coincidence that the Kumry have preserved their identity as a sovereign people. I have traced my

ancestor Sir David Mathew back to the Welsh princes or kings based upon his own alleged statements of his predecessors. Where did the Welsh originate? It certainly was not the British Isles.

You are such a sweet kindly gentlemen... I wanted to first thank you and Yair for sharing your wisdom and hope that you had a happy Pesach. But there is one thing that I did want to mention and it is that you are right it doesn't matter what we believe, but truth does matter and that is the main thing. And while it can be taught and believed that there is no need for a mediator, often actions to the contrary is witnessed. I often see pious religious Jews speak about it being an auspicious time to go to the grave of a great sage regarding such and such a situation such as Parnasa, etc. and praying there in the hopes that the prayers will go up to HaShem in the strength of this great sage as an advocate. Also there is instances within the Torah itself that Moses intervened for Israel, for example when HaShem wanted to wipe out Israel and start over with Moses and another when HaShem spoke before the congregation and

they cried out to Moses "Please you relay all that HaShem wants and we will do it, but please don't let him speak directly to us anymore lest we die!" This is mediator language and behavior. Just saying... In many ways, HaShem is no respecter of persons and truth will prevail over anything regardless what we emphatically believe and it can even hurt a lot when we realize it. (Something I realized for some time and even had a recent reminder myself recently.) This goes for whether we are from the spiritual male or female camp. :) Shavua Tov good sir and may HaShem richly bless you.

3. 2 New Video Clips. Hebrews in Wales

Hebrews in Wales-1

<https://www.youtube.com/watch?v=b4c8VhWJNKg&t=271s>

Duration: 24.25 minutes

Wales is part of the British Isles which is the domain of Joseph. The Country of Wales however was dominated by other Israelite Tribes especially the Tribe of Asher. They arrived in Wales due to the Exile of the Ten Tribes from the Land of Israel. The Ancient Welsh people had customs indicating Israelite origin. The Welsh Language is partly Hebrew. Ethnic groups within Wales had names recalling clans from the Israelite Tribe of Asher. Moses had prophesied that Asher would dwell in a land blessed with iron and copper resources (Deuteronomy 33: 24) and Wales fits that description better than any other. See:

Hebrews in Wales.

Hebrews in Wales-2

Duration: 20.19 minutes

The Welsh fit descriptions of the Israelite Tribe of Asher. The Welsh National Anthem describes them as a people of warriors and poets and that is what it was Scripture indicates the Tribe of Asher would be.

The name "Asher" contains the word root "SHR" connoting poetry and song and that is what the Welsh both admire and excel in.

4. Homosexuality is Forbidden!

Is Orthodox Judaism's view on homosexuality changing?

[Note: The article below was removed from Quora, after being up for several years, because it was considered "Hate mail."

Orthodox Judaism reflects the Torah. Just as the Torah does not change nor does Judaism.

There are cases where a hitherto not emphasized aspect of the Torah becomes more relevant.

This could lead to leniency in other directions but concerning homosexuality the opposite is to be expected.

The homosexual onslaught on the minds of the public and attempt to subvert public consciousness require even more resistance and stronger opposition than ever.

The Bible condemns homosexuality and all other similar perversions.

Exodus 22:

19 Whoever lies with an animal shall surely be put to death.

Leviticus 18:

22 You shall not lie with a male as with a woman. It is an abomination.

Leviticus 20:

13 If a man lies with a male as he lies with a woman, both of them have committed an abomination. They shall surely be put to death. Their blood shall be upon them.

Homosexuality is not an isolated offence having no effect on the community. On the contrary, it negatively influences everybody in the Community, including children.

Tolerating homosexuality in effect means allowing the victimization of children.

33% of homosexuals ADMIT to minor/adult sex (7)

The Statistics on Homosexuality and its Effects

* Homosexuals commit more than 33% of all reported child molestations in the United States, which, assuming homosexuals make up 2% of the population, means that 1 in 20 homosexuals is a child molestor, while 1 in 490 heterosexuals is a child molestor.

* 73% of all homosexuals have had sex with boys under 19 years of age.

* Many homosexuals admit that they are pedophiles: "The love between men and boys is at the foundation of homosexuality".

In the same way as one would not allow the physical safety of children to be threatened so too should the sexual integrity of infants and others be protected.

Homosexuality should be forbidden. Judaism forbids it.

Anyone who says otherwise is either willfully ignorant or wickedly deceptive. Homosexuality is forbidden by the Bible (Leviticus 18: 22, 20: 13, Deuteronomy 23: 17).

The Kings of Judah strove to wipe out homosexuality (1-Kings 14: 22,25, 15: 11, 2-Kings 23: 7).

The Book of Job describes homosexuality as a debilitating curse (Job 36: 14 with Commentary and Translation) !

Homosexuals sometimes engage in bestiality with large and small animals. One thing leads to another.

Exodus 22:

19 'Whoever lies with an animal shall surely be put to death.

Leviticus 20:

13 If a man lies with a male as he lies with a woman, both of them have committed an abomination. They shall surely be put to death. Their blood shall be upon them.

The Whole Nation Has a Responsibility to Prevent Perversion.

Not only the individual was to be punished for such matters but the whole nation was liable to suffer.

The punishment for homosexuality and related offences was Destruction of the State and Exile.

Leviticus 18:

24 Do not defile yourselves with any of these things; for by all these the nations are defiled, which I am casting out before you. 25 For the land is defiled; therefore I visit the punishment of its iniquity upon it, and the land vomits out its inhabitants.

26 You shall therefore keep My statutes and My judgments, and shall not commit any of these abominations, either any of your own nation or any stranger who dwells among you 27 (for all these abominations the men of the land have done, who were before you, and thus the land is defiled), 28 lest the land vomit you out also when you defile it, as it vomited out the nations that were before you. 29 For whoever commits any of these abominations, the persons who commit them shall be cut

off from among their people.

30 Therefore you shall keep My ordinance, so that you do not commit any of these abominable customs which were committed before you, and that you do not defile yourselves by them: I am the LORD your God.

Homosexuals place the entire people in danger!

5. Abortion Forbidden by the Torah!

Genesis (NKJV) 9:

6 Whoever sheds mans blood,
By man his blood shall be shed;
For in the image of God
He made man.

7 And as for you, be fruitful and multiply;
Bring forth abundantly in the earth
And multiply in it.

Note verse 9: 6 above,

6 Whoever sheds mans blood,
By man his blood shall be shed.

In Hebrew the expression translated as "by" may also be understood to mean "in," i.e. the verse is saying Whoever sheds the blood of a man inside a man..."

"Which man (human) is inside another human? This is a foetus inside its mother" (Talmud Sanhedrin 57; b).

The Bible is against abortion.

Jacob (aka Israel) Kept the Law of Tithing: Jacob linked his tithing to a Return to the House of his Father. We can do the same.

Genesis (NIV) 28:

18 Early the next morning Jacob took the stone he had placed under his head and set it up as a pillar and poured oil on top of it.

19 He called that place Bethel, though the city used to be called Luz.

20 Then Jacob made a vow, saying, If God will be with me and will watch over me on this journey I am taking and will give me food to eat and clothes to wear

21 so that I return safely to my fathers household, then the LORD will be my God

22 and this stone that I have set up as a pillar will be Gods House, and of all that you give me I will give you a tenth.

Malachi 3:

10 Bring all the tithes into the storehouse,

That there may be food in My house,

And try Me now in this,

Says the LORD of hosts,

'If I will not open for you the windows of heaven

And pour out for you such blessing

That there will not be room enough to receive it.

Proverbs 3:

9 Honor the LORD with your wealth

and with the first of all your produce,

10 so your barns will be filled with abundance,

and your vats will burst open with new wine.
