Yair Davidiy: Creationism and DNA

<https://www.youtube.com/watch?v=tPaz3w6ir1I>

Duration: 18. 05 minutes

The first man came into existence less than 6,000 years ago.

It is possible to accept Evolutionary-type scientific beliefs and

to still have faith in the Bible.

Nevertheless this is not necessary since Evolution has not been proven.

DNA findings as conventionally explained say that mankind existed before 200,000 years whereas the Bible says Adam was created in ca. 3760 BCE.

Dr. Nathaniel Jeanson has shown that the DNA "clock" has been deliberately wrongly computed and that the proper computation is consistent with the Chronology of the Bible.

The kingdom of Judah seems like a troublesome nation to me... Wanting me to renounce my Celticness, and my pantheon of pagan deity's, my opinions regarding oppressed Palestinian peoples... And help evict them from their homes??? Why?... because I'm Blue/Green eyed, rh negative and my surnames Aitken. You're gonna have to bring more than that to convince me to do the Devil's work. The RH negative conundrum needs

to be resolved if we're to truly understand our beginnings.... But in my opinion you are wide of the mark. I'm Cro Magnon, inextricably linked to western Europe and the Atlantic...and I've always felt blessed by the Gods. If my heritage is indeed hebrew... I should be glad my tribe were indeed separated or lost from such a quarrelsome cousin. I have no solid idea why I don't carry the Rhesus gene, I have my theories....just like you.

5:03 It seems to me that the events of day 3 of creation were repeated during the great flood event. According to Genesis, the major events of the flood event took place over the course of 1 year. I have no reason to believe that day 3 of creation took any longer than that. Which means in my mind that "evening" began around the autumnal equinox and "morning" began around the vernal equinox. This is how a "day" looks in the northern polar region of Earth (North is at the right hand when approaching from the East - very significant). The beginning of "days" began with the Autumn and Winter seasons. The beginning of Adam and Eve (and prior creations) began with the Spring and Summer seasons. Isn't this why the biblical holidays are commemorated at these times on the ancient calendar system? Isn't it the case that prophetic "days" are actually "years" and that the solar day is a miniature representation of the year as in Ezekiel chapter 4? And our lives reflect this as we plan and rest in the off seasons for the intense work of the building and growing seasons while each solar day consists of planning and resting at evening followed by the workday at morning. No geologist or evolutionist can convince me that these aren't the fact patterns we see in Genesis and in scientific examinations of astronomy and of Earth's geology and fossil records. I know what chariots of fire are and I mostly see how creation and the flood event was

done and for sure why both were done.

Ah, yes, Dr Jeansen... He knows that western Europeans are from Shem (although he says we're from Joktan - how he gets that is beyond me!), but he says that Y-DNA J and I are from Japheth... ?????? If there's anyone who we know are from Shem without a doubt, those people are the Sabbath-keeping people from the tribes of Judah, Levi and Benjamin, who kept the most important sign between God and His people: the Sabbath! Jeansen's theory can't explain the presence of the Cohen gene in both J1 and J2, as well as other Y-DNA strains any better than the evolutionary model. As far as I'm aware, only the Brit-Am model can explain it. Keep up the good work, Yair! One day, the two sticks will be rejoined into one stick in the Promised Land.

I just did my DNA 9 months ago. Does anyone know anything about Ashkanazi Jews and or Sardianians? I traced Noah and his 3 sons down to Ashkanaz. Amazing to learn these things. I had no idea I was part Jew. I had a prophetic dream that I was yrs ago. Come to find out it's true. It's amazing to learn these things. Thank you for your video!! Blessings!!

Shalom Rabbi. May the God of Abraham Isaac and Jacob bless you!

Very interesting. Thank you.

There is a criticism of Darwinism written by Michael J. Behe called "Darwin's Black Box". Very good. DNA and the epigenome are too complicated to have accidentally "evolved". Gonick and Wheelis have a book "The Cartoon

Guide to Genetics" which shows how complex DNA is.

When we accept the Genesis 1 account, we acknowledge that some type of light preceded the creation of the sun and moon. which are luminaries, actual lights (not reflected light), that God placed within the firmament/rakia. The stars are also included as lights, but no mention is made of planets. The firmament is to divide the water under from the water above, perhaps like some kind of bubble covering over earth that keeps us safe inside a closed system. Psalm 19 depicts a moving sun in a circuit above a level plane earth, "For the sun He placed a tent in them, And he, as a bridegroom, goeth out from his covering, He rejoiceth as a mighty one to run the path. From the end of the heavens his going out, And his revolution unto their ends, And nothing is hid from his heat." YLT

Welsh claim descent from Troy. Paris of Troy may be linked to Peresh of Manasseh. Many famous people in the US can trace their ancestry to the early colonial period.,eg. in Hollywood ,the actors Sissy Spacek [Daughters of the American Revolution-DAR] and Sally Field[from an early governor of Massachusetts]. In Britain,you see a similar phenomena, eg.

Lady Diana Spencer and Sir Winston Churchill were related.

Jacob (aka Israel) Kept the Law of Tithing: Jacob linked his tithing to a Return to the House of his Father. We can do the same.

Genesis (NIV) 28:

18 Early the next morning Jacob took the stone he had placed under his head and set it up as a pillar and poured oil on top of it.

19 He called that place Bethel, though the city used to be called Luz.

20 Then Jacob made a vow, saying, If God will be with me and will watch over me on this journey I am taking and will give me food to eat and clothes to wear

21 so that I return safely to my fathers household, then the LORD will be my God

22 and this stone that I have set up as a pillar will be Gods House, and of all that you give me I will give you a tenth.

Malachi 3:

10 Bring all the tithes into the storehouse,
 That there may be food in My house,
 And try Me now in this,
 Says the LORD of hosts,
 'If I will not open for you the windows of heaven
 And pour out for you such blessing
 That there will not be room enough to receive it.

Proverbs 3:

9 Honor the LORD with your wealth
 and with the first of all your produce,

10 so your barns will be filled with abundance,
and your vats will burst open with new wine.
