Ezekiel 37 sums it up perfectly, and the joined sticks make the message unforgettable. Thank you.

The time cannot be too far off judging by all the current world indicators. Refugees, population explosion, turmoil, unrest, H-bombs, nuclear weapon proliferation, hypersonic missiles, space warfare, pandemics, bio-warfare, etc.

Hadassah

Amen!

joining Israel and Judah. the 10 tribes that went north over the caucus mountains, being called the Caucasians, settling Europe, Canada, and the Americas but not remembering who they are...

Judah returning to their nation again in 1948 making Israel a nation once more, not since 70 AD...

And God will plant them and not pluck them up....  
but there are 2 baskets of figs...  
great work Yair, from North Carolina USA pal

Einstein said that "he has given us a difficult field to plow"  
referring to Jewish history. The UN is very biased.

Dont forget Scotland sir. The Burn or Burns name are in my  
research & I believe they were of Israeli descent.

Lazlo Tokoz

I'm just a lone random history "researcher" but let me tell  
you... Scotland could be a tribe of Manasseh, of course already  
mixed with all tribes today but I assume originally Manasseh.  
The diagonal cross as well as the cross are symbols of Josephs  
sons because Jacob blessed them with his arms crossed. Yes  
the whole of Britain (also Ireland) is clearly the tribes of Israel,  
Anglos, Saxons and Jutes etc. There are a lot of clues about it  
in British coats of arms and history.

Interesting information about Syria. British have a naval base  
on Cyprus at Akrotiri and Dhekelia.

## Syria is Israelite-2

### TubalCain

Iran is a real concern for the stability of the Middle East. Originally, the British, in the early 1950s lost their Iranian petroleum interests when those were nationalized by a democratically elected Iranian government. The British then went to the Americans and the CIA toppled the Iranian government and then the Shah of Iran was in power for several decades until the Iranian Revolution of 1979. While the Shah was an ally of the US his secret police were unpopular with the Iranian people. This, among other things, brought about the theocratic revolution in 1979. Ayattolah Khomeini passed away in 1989. According to Barack Obama "A Promised Land" there were some overtures on the part of the Iranians following 9/11 to have better relations with the US, but these were dismissed by the George W. Bush Republican administration. The Iranians at the present time are trying to develop missiles and nuclear weapons. I don't believe that they get along well with the House of Saud either since the Saudis are Sunni Muslims. The Iranians refer to the US as the "Great Satan" while Israel is the "Little Satan".

#### Judah Redeemed

Duration: 11.02 minutes.

Brit-Am teaches that the Lost Ten Tribes are now among Western Peoples. This has to be made known. We also need to be aware that Judah (the Jews) also had their own destiny to fulfill prior to the final re-unification with Joseph. The Jews needed to keep the Law. During their Period of exile it was prophesied they would be exiled. This is what the Bible prophesied. This is what happened.

Ezekiel chapter 37 speaks of the future re-unification of Judah (the Jews) with the Ten Tribes. We identify the Lost Ten Tribes

of Israel with Western Peoples. According to this Prophecy they are destined to come together with Judah in the Future. The time has not yet arrived but we still need to learn about it.
