Hello Yair Davidiy. I find this topic very interesting. Another author who writes on this subject, Stephen M. Collins, says that both of you agree that much of the Tribe of Manasseh was once in Germany. I am curious, was it the part that lived east or west of the Jordan River? I am inclined to think West Manasseh was in Germany because since the British dominated America and you have mentioned the name of Manassehs son, Machir, ends up being the dominant name, I feel it makes since for the clan of Machir to have moved to the USA from Britain and the descendants that lived west of the Jordan to migrate to the USA from Germany. What is your take about which part(s) of the Tribe of Manasseh migrated from Germany and Britain?

Thank you so much for sharing this. I'd worked some of it out but not as clearly by a long way! What a puzzle & what a maze to unravel! And some folks knew the truth & did or could not share it.

Louise Brookes

God surely works in mysterious ways!

2: 34 Absolute truth. What happened for Daniel's friends in their deliverance is no fantasy. That type of deliverance and much more is available without disruption. Remember the horses and chariots of fire all around Elisha. That also is no fantasy. The outcome of wars is already determined.

I also like that as we draw closer to God we will draw closer to one another.

Thanks for the discussion all. I like the idea that the Almighty will bring it to pass, God willing. Praise the Lord.

Hadassah

So ready to return! It feels like we are to these verses:

Mic 2: 12 - I will surely assemble all of you, O Jacob,

I will surely gather the remnant of Israel;

I will put them together like sheep of the fold,[fn]

Like a flock in the midst of their pasture;

They shall make a loud noise because of so many people.

Mic 2: 13 - The one who breaks open will come up before

them;
 They will break out,
 Pass through the gate,
 And go out by it;
 Their king will pass before them,
 With the LORD at their head.

Amen, Amen. Sela. Halleluja! Nice discussion, thank you so much. Greetings from ephraim, have a nice day!

Oh, if only there were a transcript of this! I just cannot stand to watch Yair, much as I want to know what he is saying. The next gentleman who spoke wasn't much better.

Never heard of that information about Jerome before; however,I once saw that he mentioned Tanaus,a king of the Scythians or Goths.

The United States pays for 20% of Israel's military budget while Israel has a space program, universal health care, and still runs a budget surplus for six of the last ten years

Great work Yair! Shalom to you! I have noticed that you have been doing many more videos as of lately. Your videos are more frequently, and with more content! This is a direct sign from God! The Holy spirit of [the ALMIGHTY] is working in you to be more urgent with the ten tribes! This is definitely a sign that things are approaching more acute stages! The time of Jacob's trouble has just begun. If we start in Daniel's prophecy from when he was carried away unto Babylon, then 2020 would be the year that the tribulation would begin! I definitely feel the lords presence and God is guiding us back home!

What about the boundaries of Israel in Ezekiel 48?

TubalCain

Iran is a real concern for the stability of the Middle East. Originally, the British, in the early 1950s lost their Iranian petroleum interests when those were nationalized by a democratically elected Iranian government. The British then went to the Americans and the CIA toppled the Iranian government and then the Shah of Iran was in power for several decades until the Iranian Revolution of 1979. While the Shah

was an ally of the US his secret police were unpopular with the Iranian people. This, among other things, brought about the theocratic revolution in 1979. Ayattolah Khomeini passed away in 1989. According to Barack Obama "A Promised Land" there were some overtures on the part of the Iranians following 9/11 to have better relations with the US, but these were dismissed by the George W. Bush Republican administration. The Iranians at the present time are trying to develop missiles and nuclear weapons. I don't believe that they get along well with the House of Saud either since the Saudis are Sunni Muslims. The Iranians refer to the US as the "Great Satan" while Israel is the "Little Satan".

2. Reminiscences and Brit-Am Appeal - Repeated

<http://www.britam.org/contribute-Brit-Am.html>

<http://hebrewnations.com/contributions/offerings.html>

21 June, 2022; 22 Sivan, 5782.

Recently we made an Appeal that almost went unanswered. Brit-Am fulfills a need. The task of Brit-Am is important. It deserves support.

They who are able to show their support for Brit-Am by sending an offering, or donation, or book-order, are asked to

do so.

We believe we are fulfilling a Divine Purpose and that they who help us will be blessed from Heaven.

The truth of Brit-Am needs to be made known.

Help us do this.

Psalms (NKJV) 80:

1 Give ear, O Shepherd of Israel,
You who lead Joseph like a flock;
You who dwell between the cherubim, shine forth!
2 Before Ephraim, Benjamin, and Manasseh,
Stir up Your strength,
And come and save us!

19 Restore us, O LORD God of hosts;
Cause Your face to shine,
And we shall be saved!

Psalms (NKJV) 81:

13 Oh, that My people would listen to Me,
That Israel would walk in My ways!
14 I would soon subdue their enemies,
And turn My hand against their adversaries....

16 He would have fed them also with the finest of wheat;
And with honey from the rock I would have satisfied you.

Brit-Am has been in the Public Domain now since the first publication of "The Tribes" in 1993.

Before then we had spend quite a few years researching the subject.

In some ways our previous life and even that of our forebears had been a preparation to carry the Brit-Am message.

We have since published more than 20 books and still have a few more in various stages of preparation. We also put out magazines and thousands of articles

and e-mail postings and YouTube video clips. All in all very many people received some aspect of our message. It could

have been much more perhaps but what there was is something.

No-one guarantees anyone anything but it could be that we still can give much more.

In recent years we have been enabled to cope reasonably well and meet most of our day-by-day obligations.

This is what is needed. We function mainly through offerings and contributions and when times are good also through book sales.

Our e-mail list is not a small one but neither is it enormous.

Appeals to our list are what brings in what income we have.

At present we are in need to meet ongoing expenditure and less funds than usual have been coming in.

Some reasons for Supporting Brit-Am/Hebrew Awareness.

Brit-Am reveals that peoples in the West are descended from the Lost Ten Tribes of Israel.

Brit-Am uses evidence from the Hebrew Scriptures, Rabbinical Sages, Ancient History, Mythology, Linguistics, Cultural Comparisons, National Psychologies and ideologies and other sources.

Brit-Am revives evidence previously used by others as well as adding much to it. Divine Providence has used us as a conduit in this matter.

This is all needed to understand Biblical Prophecy and its pertinence to us all today.

Brit-Am helps bring the Bible to life and show its pertinence to us all today.

Brit-Am works for the revival of an awareness of National Israelite Destiny in the nations we deal with.

Brit-Am helps revive confidence and belief in the Biblical Message and its pertinence today.

The needs of Brit-Am relatively speaking may be modest ones but they should be met.

Brit-Am is part of what you are just as you are all part of what Brit-Am is.

We believe that they who help us will themselves be helped from Above.

Jacob (aka Israel) Kept the Law of Tithing: Jacob linked his tithing to a Return to the House of his Father. We can do the same.

Genesis (NIV) 28:

18 Early the next morning Jacob took the stone he had placed under his head and set it up as a pillar and poured oil on top of it.

19 He called that place Bethel, though the city used to be called Luz.

20 Then Jacob made a vow, saying, If God will be with me and will watch over me on this journey I am taking and will give me food to eat and clothes to wear

21 so that I return safely to my fathers household, then the LORD will be my God

22 and this stone that I have set up as a pillar will be Gods House, and of all that you give me I will give you a tenth.

Malachi 3:

10 Bring all the tithes into the storehouse,

That there may be food in My house,

And try Me now in this,

Says the LORD of hosts,

'If I will not open for you the windows of heaven

And pour out for you such blessing

That there will not be room enough to receive it.

Proverbs 3:

9 Honor the LORD with your wealth
and with the first of all your produce,
