Introductory Note by Yair Davidiy:

In our work The Tribes (present edition entitled "Hebrew Tribes") we ascribed the Vandals to the Israelite Tribe of Asher. We traced the migrations of part of them from Eastern

Europe (ca. Poland) to the west, then to North Africa, and after that eventually winding up in Ireland and other parts of Britain. We thought at the time that we might be pioneers in this (i.e. tracing the Vandals who went to North Africa to Ireland) but others seem to have broached the idea beforehand. In the Essay John Hemingway provides evidence in support of it. He also has remarks of value concerning the origins of Ogham. The Ogham Script was used in the 300s - 500s CE. Wikipedia tells us: # There are roughly 400 surviving orthodox inscriptions on stone monuments throughout Ireland and western Britain, the bulk of which are in southern Munster [southwest Ireland] The largest number outside Ireland are in Pembrokeshire, [southwest] Wales. # John Hemingway shows that the Ogham Script had Semitic Hebrew-type origins. The article uses technical linguistic terminology but the gist of it is quite plain and of great value.

Gentile Heathens versus Jerusalem

Duration: 17.47 minutes

All (or nearly all) the nations of the World in the UN are frequently arraigned against the State of Israel. The reason for this is anti-Semitism. The prophet Zechariah (ch. 12) describes this as a brimful cup of poison that the Gentiles prepare in order to blame the Jews for all their own problems. In the End Times all the heathen peoples will lay siege to Jerusalem and have their tools of navigations supernaturally negated. The Messiah son of Joseph will also appear at Jerusalem. He is described as being the future ruler of the Lost Ten Tribes when they return.

Duration: 1.02.49

A Root and Branch Talk. Yair Davidiy gives Tribal Identifications for the Lost Ten Tribes dealing with each Tribe individually. Joseph gave rise to the English speaking peoples. Of the two sons of Joseph, Ephraim was predominant in Britain, Manasseh in the USA. America is indirectly named after Machir the firstborn son of Manasseh. France was settled by Reuben, Sweden by Gad, Finland by Issachar, Norway by Naftali, Denmark by Dan, and so on for all of the Tribes. Insights of value ad interest.

Jacob (aka Israel) Kept the Law of Tithing: Jacob linked his tithing to a Return to the House of his Father. We can do the same.

Genesis (NIV) 28:

18 Early the next morning Jacob took the stone he had placed under his head and set it up as a pillar and poured oil on top of it.

19 He called that place Bethel, though the city used to be called Luz.

20 Then Jacob made a vow, saying, If God will be with me and will watch over me on this journey I am taking and will give me food to eat and clothes to wear

21 so that I return safely to my fathers household, then the LORD will be my God

22 and this stone that I have set up as a pillar will be Gods House, and of all that you give me I will give you a tenth.

Malachi 3:

10 Bring all the tithes into the storehouse,

That there may be food in My house,

And try Me now in this,

Says the LORD of hosts,

'If I will not open for you the windows of heaven

And pour out for you such blessing

That there will not be room enough to receive it.

Proverbs 3:

9 Honor the LORD with your wealth

and with the first of all your produce,

10 so your barns will be filled with abundance,

and your vats will burst open with new wine.
